

St. Vladimir's Ukrainian Orthodox Sobor
2020 AGM - Protocols

The purpose of this document is to outline the protocols in place for the 2020 AGM.

We will be following the protocols contained in the Cultural Centre Protocol Document. This document can be found on our website at www.stvlads.com.

This meeting is for members only. You must have paid your 2020 dues to attend. No guests will be permitted to attend the meeting. Your status can be obtained by contacting the hall administrator at administrator@stvlads.com.

You will be required to pre-register prior to attending the AGM. Pre-registration information will be supplied via email and in the bulletin. The cut off for registration will be December 2nd so that we will be able to email the reports to our members prior to December 6th.

Reports will be by email only. No documents will be distributed at the AGM. If you have no email, a package will be made for you for pickup.

There will be someone checking you in at the door so that we have accurate records for contact tracing.

Masks must be worn for the entire duration of the AGM. Masks must cover both your nose and your mouth.

The meeting agenda will be minimized to only time critical items to reduce exposure during this time of pandemic. Members are discouraged from raising non-time critical items to be added to the agenda.

We will have a microphone setup to speak. If it needs adjustment, we will have an attendant available to ensure it is at the correct height. The microphone will be sanitized after each use.

No food or drink can be brought into the hall. We encourage you to eat lunch between Divine Liturgy and the start of the meeting by packing a lunch and enjoying it in your vehicle.

Record of attendees – We will be recording attendance only for the purpose of contact tracing. This list will be destroyed after 14 days as required by the Alberta Government.

Chairs will be setup to allow for 2 Meter separation. Please do not move the chairs around unless directed by an attendant.

There is to be no visiting during this event. This is not a social event. Please remain in your seats as much as possible for the duration of the meeting.

Voting will be by show of hands only. Secret ballots will not be permitted due to restrictions in place for holding meetings in a COVID environment.

Doors will be open approximately 15 minutes prior to the start of the meeting.
